

Smog, To Be Of Use

Most of my fantasies are of
Making someone else come
Most of my fantasies are of
To be of use
To be of some hard
Simple
Undeniable use

Like a spindle
Like a candle
Like a horseshow
Like a corkscrew

To be of use
To be of use

Most of my fantasies are of
Making someone else come
On a horse
Over palms laid
On the threshold
On the coming day

Coming day
Coming day come
