

# Smog, To Be Of Use

Most of my fantasies are of  
Making someone else come  
Most of my fantasies are of  
To be of use  
To be of some hard  
Simple  
Undeniable use

Like a spindle  
Like a candle  
Like a horseshow  
Like a corkscrew

To be of use  
To be of use

Most of my fantasies are of  
Making someone else come  
On a horse  
Over palms laid  
On the threshold  
On the coming day

Coming day  
Coming day come
