

Smoke City, They Can't Take That Away From Me

The way you wear your hat
The way you sip your tea
The memory of all that
No they can't take that from me.

The way your smile just beams
The way you sing off key
The way you haunt my dreams
No they can't take that from me.

We may never meet again
On the bumpy road of love.
Still I'll always keep the memory of...

No they can't take that away,
No they can't take that away.
