

Smokey Robinson, Being With You

I don't care what they think of me
And I don't care what they say
I don't care what they think if you're leavin'
I'm gonna beg you to stay
I don't care if they start to avoid me
I don't care what they do
I don't care about anything else
But bein' with you
Bein' with you

Honey, don't go
Don't leave this scene
Be out of the picture
And off of the screen
Don't let them say
We told you so
They tell me you love me
And then let me go
I heard the warnin' voice
From friends and my relations
They tell me all about your
Heart-break reputation

But I don't care what they think about me
And I don't care what they say, no
I don't care what they think if you're leavin'
I'm gonna beg you to stay
I don't care if they start to avoid me
I don't care what they do
I don't care about anything else
But bein' with you
Bein' with you

People can change they always do
Haven't they noticed the changes in you
Or can it be that like love I am blind
Do I want it so much
'Til it's all in my mind
One thing I know for sure
It's really, really, real
I never felt before
The way you make me feel

I don't care what they think about me
And I don't care what they say
I don't care what they think if you're leavin'
I'm gonna beg you to stay
I don't care if they start to avoid me
I don't care what they do
I don't care about anything else
But bein' with you
Bein' with you
Bein' with you

Bein' with you
I don't care about anything else
But bein' with you
Bein' with you
Bein' with you
