Smokey Robinson & The Miracles, I Second That

Maybe you'd like to give me kisses sweet Only for one night with no repeat Maybe you'd go away and never call And a taste of honey is worse than none at all Oh little girl

Chorus In that case I don't want no part Well that that would only break my heart Well if you feel like loving me If you got the notion Well if you feel like loving me If you got the notion I second that emotion I second that emotion

Maybe you'll think that love will tie you down And you ain't got the time to hang around Maybe you think that love will make us fools And so it makes you wise to break the rules Oh little girl

(chorus)

In that case I don't want no part Well that that would only break my heart Well if you feel like loving me If you got the notion I second that emotion So if you feel like giving me A lifetime of devotion I second that emotion
