

# Smokey Robinson, Weekend

the weekend is near  
you're planning what to do  
the parents are out  
there's a party at Stew's  
you're discussing at lunch  
talking to your friend  
telling him how you want some beer  
how you want school to end  
the clock in your face  
sitting in your last class  
today's a Friday  
you need some beer in your glass  
the bell just rang  
so you run to your car  
you tell the boys to come over  
so you make your house look like a bar  
you're barely under-age  
so you need a pull-out  
get me Mickey's and Corona  
and some lime with no doubt
