Smokie Norful, Healing In His Tears

Chorus:
Jesus cried for my pain,
removed agony and strain,
lent His ear to my fear;
theres healing in His tears,
theres healing in His tears.

Verse 1:
Being both God and man,
who better would understand
than the One who comforts me
and who died to set me free.

Chorus

Verse 2:
Just like He cried for Lazurus,
still today He cares for us.
And when Jesus feels your pain,
nothing in your life remains the same.

Chorus

Vamp:
Healing, healing,
healing, healing, oh...

Ending:
Oh, oh, oh, oh healing.
Oh, oh, healing.
