

Smokie, Umbrella Day

We were walking, we were barely talking,
It was late '63.
Clouds were overloaded and when they exploded
You said to me,
Oh Oh Oh Look at the rain,
Oh Oh Oh Umbrella Day,
Throw it away (throw it away, throw it away).
Out together, it was stormy weather,
We were soaked to the skin,
Thunder crashing, we were puddle splashing,
And we started to sing.
Oh Oh Oh Look at the rain,
Oh Oh Oh Umbrella Day,
Throw it away (throw it away, throw it away).
Now look my way and see,
Just how wonderful rain can be,
Loving you loving me.
It's going round round and round,
Down down and down,
Round round and round
Down down down.
We were calling, at the water falling,
As it fell to the ground,
You and I we really blessed the sky
Oh for this new love we found.
Oh Oh Oh Look at the rain,
Oh Oh Oh Umbrella Day,
Oh Oh Oh Look at the rain,
Oh Oh Oh Umbrella Day,
Throw it away (throw it away, throw it away).
It's going round round and round,
Down down and down,
Round round and round
Down down down.
