

# Smoking Popes, Days Just Wave Goodbye

Bother, I don't bother  
Bother, I don't bother  
Days just wave goodbye as they ride in tonight

And then they're gone, gone, gone...

Sorry, I'm not sorry  
Sorry, I'm not sorry  
Yesterday goodbye  
I've got no tears left to cry cause they're all gone, gone, gone...

For the first time in a lifetime  
I can keep my eyes closed all day long, yeah

Happy, I'm so happy  
Happy, I'm so happy  
So happy now that I'm gone, gone, gone...
