

Smoking Popes, If You Don't Care

if you don't care, i don't care
we don't belong together
cause we don't belong anywhere

if you're not sure, i'm not sure
what all these tears are falling for
let's decide not to care anymore

awake in a white washed tomb
awaiting the hand of doom
with our tickets to some distant patch of sky
employing a few choice words
we flutter like captive birds
finally free
but still afraid to fly

if you don't care, i don't care
we don't belong together
cause we don't belong anywhere

if you're not sure, i'm not sure
what all these tears are falling for
let's decide not to care anymore

assuming a plaintive pose
for reasons that neither knows
but we're both convinced we'll make it out alright
astoundingly still unclear
we stab at a faceless fear
as hand in hand we fall into the light

if you don't care, i don't care
we don't belong together
cause we don't belong anywhere

if you're not sure, i'm not sure
what all these tears are falling for
let's decide not to care anymore

anymore, anymore, anymore

employing a few choice words
we flutter like captive birds
finally free
but still afraid to fly

if you don't care, i don't care
we don't belong together
cause we don't belong anywhere

if you're not sure, i'm not sure
what all these tears are falling for
let's decide not to care anymore

if you don't care, i don't care
we don't belong together
cause we don't belong anywhere

if you're not sure, i'm not sure
what all these tears are falling for
let's decide not to care anymore

let's decide not to care anymore
let's decide not to care anymore
