

# Smoking Popes, Let Them Die

Too big or way too small  
I say let them die  
Don't seem to care at all  
I say let them die  
Let them die [repeat three more times]

I know they are not happy with their lives  
Let's do them a favor  
They feel just like you  
Oh no, that's not true  
That could be you someday that's why I say  
Let them die [repeat five more times]
