

# Smoking Popes, No More Smiles

No more smiles  
It's just teardrops falling to the ground  
No one's around  
And I don't love you anymore  
And I'm sore about it  
When did my heart change its mind?  
It must have been during the changing of times

[Chorus]  
No more smiles from now on  
They are all gone  
I'll never understand what went wrong

[Repeat chorus]

No more lies  
Now the hard part's over so they say  
There's no way that I could take another day  
Let's not talk about it  
When did my love for you die?  
Kiss me once and it's time to say goodbye

[Chorus x4]
