

Smoking Popes, Star Struck One

Evening star struck one
Wondering how come
Suddenly becoming completely undone

Just as I looked into your eyes for the first time
I was already in love with you

Nothing in my dreams
Could possibly have braced me
For the feeling that faced me on

Just as I looked into your eyes for the first time
I was already in love with you

My heart tapped me on the shoulder
And whispered in my ear:

"Don't be a pussy all your life"
