

Smolik / Kev Fox, 5 Days

Are you feeling me
All your life
Or only for the next five days
Make believe
And kerosene
Are flowing through the next 5 days

See the light
Fall asleep
Only for the next 5 days
Follow me to the sea
Only for the next 5 days
Honestly
See the light
Fall asleep
Only for the next 5 days
Promise me

If its evergreen
Its really clean
We'll take it for the next 5 days
Do you believe it's all we need
To make it through the next 5 days

See the light
Fall asleep
Only for the next 5 days
Follow me to the sea
Only for the next 5 days
Honestly
See the light
Fall asleep
Only for the next 5 days
Promise me

Its all over
Its all over now
Its all over
Its all over now
