

# Smoosh, But Now I Know

I never knew that I was here  
The time in my life  
Was on the street  
Where I sat down  
Never knew that I was sitting here  
Waiting for you  
If you think I'm so cool why don't you go there  
And get your own hairstyle  
Cause I'm never gonna be  
Just like I was  
Before I came here  
Whoa-oh I don't have anything to prove  
Except a sheet of paperwork from the lights  
The lights where I used to live  
You'll never know  
But now I do  
So, I'm never gonna be just like I was  
I'm not gonna be the same  
Now I know that I'm here  
Now I know  
Well I'm just dribbling the basketball  
What does it help you?  
Do it if you want to  
You to be here, why don't you come  
Cuz I have a spot for you  
You're waiting there  
We're inside now  
You're my dear  
And I've been waiting so long  
You think that you can  
But you can't cuz you're really not  
But you're waiting there for me so I'm  
Here for the rights that I can make  
I'm just standing there with no proof

Now I'm here to stay, yeah  
Now I'm here to stay, yeah  
Now I'm here to stay
