

Smoosh, Take It Away

Yeah

Where we're going, I don't really care
Where I'm going I'm going to the show
But I don't really care where I'm going
Oh yeah!
Where I'm going yeah

Take it away
I don't really care
Please just take it away
It's all I want you to do
Just take it away

Na-Na, Na-Na, Na-Na, Na-Na
Get mad
Take it away
Just like that I said
You got a problem what your doing
It's all from ruins, say
What do you want?
Just take it away
And I'll be satisfied
Well will you just take it away?

Get mad
Take it away
Just like that I say
You got a problem what your doing
It's all from ruins, say
What do you want?
Just take it away
And I'll be satisfied
Well will you just take it away?

Take it away
And I'll be satisfied

Oh yeah
Where I'm going, yeah

Please just take it away
That's all I want you to do
Just take it away
