

# Smyth Patty, The River Cried

I took a walk today through these grey  
and dirty streets

Thinking of you, missing you,  
and hoping that we'd meet

I didn't tell my legs where to go  
They just walked down to the dock

I sat on the edge fighting a shiver  
Telling everything I hurt inside

CHORUS:

And the river cried 'cause I lost your love

The river cried, oh

The river cried for my lonely soul

The river cried

You were the only one who really knew me

You were the only one in whom I'd confide

And hearing this

The river cried

I saw myself today through these grey  
and dirty streets

Did you have to leave this town  
or did you just have to leave me?

All these questions echo in my mind

Why didn't I see the signs?

The river keeps flowing, I can't keep going

Waiting for you to return my sigh.

CHORUS
