

Snake River Conspiracy, Act Your Age

No one adores you
No one rewards you
Nobody hears what you say (what you say)
Those old faded pictures
of you and your sisters
on the first day of school (on the first day of school)
I'll always play with you

Nobody loves you
more than they ought to
nobody cares what you think (what you think)
I still hold those pictures
of you and your sisters
I'll always play the fool
I'll always play with you

So an Angel has your name
what a perfect name it is
And though it's not the same
The heartache isn't all that lives

Mother adores you
Mother rewards you
Kissing you on the cheek
Those old faded pictures
of you and your sisters
on the first day of school
I'll always play with you

So an angel has your name
What a perfect name it is
And though it's not the same
The heartache isn't all that lives
