

# Snap, Do You See The Light (Looking For)

Do ya, do ya, do ya, do ya see the light  
Do ya, do ya, do ya, do ya see the light  
Do you see the light?  
You can always call my name and I'll be there

Do ya, do ya, do ya, do ya see the light  
Do ya, do ya, do ya, do ya see the light  
Ooh ooh ooh ooh  
Ooh ooh ooh ooh

Life is what you make it  
A choice for you, decide what to do  
And love is worth a taking  
A light that shines its way from me to you  
I'll be looking for it, searching for it  
Looking for the light  
I'll be looking for it, searching for it  
Looking for the light

Do you see the light shining on you  
It's coming straight to your heart  
Oh, do you see the light, what can you do  
Nothing can keep us apart

Do ya, do ya, do ya, do ya see the light  
Do ya, do ya, do ya, do ya see the light  
Do you see the light?  
You can always call my name and I'll be there

I'll be looking for it, searching for it  
Looking for the light  
Do you see the light?  
Do you see the light?  
You can always call my name and I'll be there

I'll be looking for it, searching for it  
Looking for the light Do you see the light?  
Oh oh, do'y do'y do you, oh oh  
Oh oh, do'y do'y do you, oh oh

Life is what you make it  
A choice for you, decide what to do  
And love is worth a taking  
A light that shines its way from me to you  
Oh oh, man I try to live forever  
I won't tell the world about this love  
Oh oh, cause it's a choise, we'll be together  
Light shine love
