

# Snap, The First, The Last, Eternity

Eternity eternity, eternity...  
People all over the world  
Listen to what I wanna say  
Now I need all of your attention  
Come along with me  
You don't have to worry  
Good news is on the way  
I'm talking about the way things started out  
Gonna end that same  
Eternity eternity, eternity...  
Let's getting ready  
For the final destiny  
Gather all about your people  
And come with me  
I'm gonna be your guardian angel  
Oh,oh,on high  
Come on come on it's time  
The first the last eternity  
The first the last eternity  
The first the last eternity  
The first the last eternity  
The first the last eternity  
As it's written it will always be  
Till the end of time  
Do you here me  
The first the last eternity  
As it's written it will always be  
Till the end of time  
Do you here me  
The first the last eternity  
The first the last eternity  
The first the last eternity  
The first the last eternity  
ohh....  
Eternity eternity, eternity...  
The first the last eternity  
The first the last eternity  
The first the last eternity  
The first the last eternity
