

Sneaker Pimps, Cute Sushi Lunches

pretty row with it
cute sushi lunches
nineteen steps from out under your feet
can't eat won't eat
have have not me
can't eat won't eat
cute sushi lunches

pretty down on this
cold feel excuses
one lane talk where art and life don't meet
can't see won't see
have have not me
hate like a child hates his hair cut
can't eat won't eat
cute sushi lunches
