

# Sneaker Pimps, Precious

Precious, I feel precious  
Waves of the unborn truth  
Bathing in your presence  
I despise what isn't you

Precious, I feel precious  
Writhing in the way  
Dripping onto slivers  
Screaming for screaming's sake

Precious, I feel  
Precious, and so afraid  
Cracking, slowly cracking  
Under the neon rain

Precious, I feel precious  
Writhing in the way  
Dripping onto slivers  
Screaming for screaming's sake
