

Sneaker Pimps, Velvet Divorce

No ordinary sin
This perfect working order
I'd rather sink than swim
If I can't walk on water

You let this scandal in
This perfect world disorder
I'd rather drown than swim
I can't walk on water

This taste of dilution
Velvet divorce

I get bored (velvet divorce)
I get bored (velvet divorce)
I get bored (velvet divorce)

I'd sooner sell it cheap
Than tread this limbo culture
It takes a gun to clear
This stone that we've been under

You still take me wrong
I don't need understanding
Let the damage sing
I'm asking, I'm demanding

This taste of dilution
Velvet divorce

I get bored (velvet divorce)
I get bored (velvet divorce)
(velvet divorce)
I get bored (velvet divorce)

I'm losing all my days
To nights of blurred salvation
I'm following your days
It's true I hate creation

This taste of dilution
Velvet divorce

I get bored (velvet divorce)
I get bored (velvet divorce)
I get bored (velvet divorce)
I get bored (velvet divorce)

(Velvet divorce)
(Velvet divorce)
(Velvet divorce)
(Velvet divorce)
