

Snitch, Game Over

i know that you hate me 'cause you didn't wanna tolerate
that you were responsible but i don't give a single shit
this time i dedicate this song to you
'cause i think the time has come
to say f**k off i'm going on
i'm sure that you're not feeling bad
after all the shit that you have said
although i'm scared you're still my dad

over your game is over
so stop pretending everything's ok
over your game is over now
i'm not your f**king toy

i tried to get over those nights
you came home drunk hate in your eyes
but now you have to pay the price
i'm sick and tired of your shit
so stand your man now and admit
you never gave a shit
