

# Snitch, The One

Now it's up to you  
to tell me what to do  
never thought you'd be the one  
to drop me in this mess  
to leave me in distress  
my sanity is in your hands

There's a part of me that cries for you  
can't stand up to you, make me feel so shy  
my head is numb there's nothing i can do  
right now i want to scream just breakdown  
and cry/die

Almost every night  
i turn on the light  
i realize you're not here  
it's easy to forget  
haven't felt that yet  
now i've finally lost my mind
