

Snitch, Turn On The Radio

This is what we live for
This is what we do
So here we are now
We're here to stay
Waited a long time
To get this far
Not giving up now
So here we are
All over the nation playing
Just for you
So let the show begin

Go here we go
Go turn on your radio
Go here we go
Go to blow your brain away

It's getting hot here
To hot to breathe
That's how we like it
Don't want to leave
