

Snog, Waiting

Waitin', I'm waitin', waitin'

I been smokin' some grass
Watchin' days go past
Enjoyin' your pain
Pissin' in the rain

Waitin' for the world
To end
Waitin' for the world
To end
Waitin' for the world
To end
Waitin' for the world
To end

Waitin' I'm waitin', waitin'
Waitin' I'm waitin', waitin'

I been tippin' on my toes
Doin' what nobody knows
Standin' in line
Wastin' my time

Waitin' for the world
To end
Waitin' for the world
To end
Waitin' for the world
To end
Waitin' for the world
To end

I been trippin' on a wire
Laughin' at a fire
Countin' down the days
Lost in the haze

Waitin' for the world
To end
Waitin' for the world
To end
Waitin' for the world
To end
Waitin' for the world
To end
My friend
