

Snoop Dogg & B-Real, Vato

Asking where I'm from while he running up,
Gangbang my setll nag one of them,
Some things, sons they just wont change,
Fools dont respect nothing but the gang bang,
What's seen is what's sawn, Dogg is the law, I hate you niggas running like a marathon, Lil G's tryn
But they dont know, once they get close its tic tac toe, 3 motherfuckers laid on the floor (Watch out,
I Heard an Ese Say...

He said..

[B-Real]

Vato you won't believe what they saw,
I saw these pack a guys and they act real hard... (And what they do?)
They twisted fingers say you know who we are...
He said: I dont give a fuck Im Snoop Doggy Dogg ... (Ah huh)
They kept fucking and it went too far,
So Snoopy he went straight to the trunk of his car (And what he get?), he got his gun and they star
PLOW!!!

Run Nigga, Run Nigga (Plow)

Duck Nigga, Duck Nigga (Plow)

Run Motherfucker, Run (Plow)

Run Motherfucker, Run (Plow)

I didn't mean to hit what I hit

Now that's 3 motherfuckers dead, and I ain't seen shit

But these niggas a scream wit plea but for like a G like me its just a case

Believe and you can see

I crack the mac back and pop off rolling

And smack your neck back, you drop off falling

I haven't seen my mama in a week

And she ain't even ran her mouth about me

Fuck that I ain't give a fuck about the law

Niggas say they wanna brawl

You would think that they wore bras

Believe in all the things that you never saw

In it yall, been a Dogg, smoke you like a menathol

You think you know? But this can't go

You think youll blow, all my dough?

What the fuck, no

See these niggas proceed with speed

So feel the need to bleed

All you hear my enemies going

[B-Real]

If Snoop a keep a foot on the streets

And lead and cover the sheets

Run wit them niggaz wit the heat

You never seen a thug like this

You never seen a dub like me

And I ain't weak for wanting peace in fact

I could be beast of the East motherfucker.

I never hesitate to blaze

A nigga really tryna change his ways

We gotta move my team cuz my peoples

Are screaming that we need more for fun or is it legal (With a bang)
On this song make it feel like a drive-by
It's ashame but somebody gotta die

But when I'm mobbin LA
