You know what time it is, it's time to do this shit we usually do

Let's go

Hah

What's my name?

Say what?

When times get tough, I want to give it up

And I just can't let go like that

And girl, how long it took to build it up

There must be some reason why he callin' back (I'm back)

I'm back in this bitch ready to do it again

Light that Chronic, where my Gin?

They lettin' real niggas up out of the pen

Roller skate, now roll again

I hit my sweet spot, streets got back on lead

Beatbox, heat rocks, talk that shit

Plottin', plan it, bakin' inhale

Shakin' no shakin, while makin' demands

A lil' tension in the hood, but I'm loved by my fans

Same Dog stance and I get it from my hands

Really don't talk when its' time to do advance

Take a chance on yourself like I did on me

I was amazed like a kid on me

No smut, no shit on me

So far up, that I can't look now

But every once in a while I find my way back down

When times get tough, I want to give it up

And I just can't let go like that (Man)

And girl, how long it took to build it up

There must be some reason why he callin' back (Can all the people say)

Woah (Yeah, c'mon)

Hah, yeah

And all the ladies in the back, lemme hear you say

Woah (Yeah, c'mon now)

Yeah, feel good to ya

Yeah, 'cause it's good for ya, c'mon

Yeah, get ya groove on

A-get ya skate on, roll on

Hey Doggy (Yeah)

What's that mean?

That means I'm back on the floor, get ya dough

Every player that I know give a fuck about a ho

Hey Doggy (Yeah)

What's that mean?

That means I'm back on the roll, gettin' more dough

And tell 'em Snoop Dogg said so

When times get tough, I want to give it up

And I just can't let go like that

And girl, how long it took to build it up

There must be some reason why he callin' back

(Yeah, so uh, heard you back on Death Row; That's right?)

Yeah, fasho
