

Snoop Dogg, Hustle & Ball

[Snoop Talking]

Yo whats up P

Yeah man these niggas think that I done fell off man

Think my shit done got weak I guess

Shit nigga I been hustlin' grindin' like a motherfucka

I aint went nowhere knowwhatlmean?

Shit guess I got to let these niggas know who I am

What I stand for and what I'm about huh

You feel me check this out BITCH!!

[Chorus]

whats my motherfucking name

Snoop Dogg

What I like to do

you like to hustle and ball

[x4]

[Snoop]

I get up early in the mourning and begin my mission

Brush my teeth then I creeps to the kitchen

Cook some bacon and eggs and put some braids in my head

Stash this pound, put the shit down then I head

To the spot thats hot, fuck a fed

I gotta clock this knot ya heard what I said

Im taking penitentiary chances, dancin with the devil

Im in it to win it for No Limit nigga next level

A whole lot of y'all niggas out there walk around dead here take this shovel

Dig your own grave, your pushin on them pebbles

Stand out there on that corner long enough and watch what happen

Quit yappin about what you aint got and get crackin now thats what happenin

Aint no body give me shit I took it

Nigga stright now but I started off croocked

Now look at all the shit I been through and I'm 'fen to

Get what I gotta get cause I'm just stright down for this shit

Now

[Chorus x4]

They say money is the key to end all your woes

Thats probably why I love it and cant stand them hoers

I chop trees with G's and take trips over seas

And pack a nine all the time and thats for all my enimies

What y'all thought, I cant get cougth

It aint my mothfucking fault they call mister seasonig salt

I'm bringing Gangsta shit to this No Limit click

I'm way down south in a house and I'm bangin this shit

I got gold around my neck that will never ever fade

Rolex watch on my wrist nigga getting paid

Thats all I live fo , you dig it

Game is to be sold not to be told thats what my nigga P said can you feel it

What y'all niggas knockin me fo and watching me fo

While your bitch jocking me and clocking this doe

Boy that sound like the old Snoop Dogg, shit I'm trying to get paid

Papered up and trying to ball y'all feel me

Avoiding the snitches and the and the bitches too

And the fake ass snake ass niggas which is you nigga fuck you

I buck you you I stick you I stuck you

I love making that music that y'all niggas say y'all drugs to

[Chorus]

[Snoop Talking]
Bow-wow
Game reconize game
Now you know how a gangsta gangsta
You how a hustler hustle
And you know how a baller balls
Thats what you get when you fucking with Snoop Dogg
Stright up '98 No Limit records
You feel me thats real ha ha yeah
Hustle & Ball Thats all we do
All the real hustlers out there gone and give it up
Yeah get your money money get your money
Keep your heat get your money money
