(feat. Charlie Wilson)

[Charlie Wilson croons in the background]

[Snoop Dogg]

Beautiful.. perfect.. flawless.. debonaire

[Chorus: Charlie Wilson]

Where'd you get that silky skin?  
And the colors those eyes come in?  
Does the light come from within?  
God made you, did he make the grin?  
Wings are under all your clothes  
You worth more than your weight in gold  
Where did God put down your mole  
Or were you only made for show?  
Girl you're perrr-feeect - when God made you  
I wonder if he kept the mold, or are you just for show?  
Girl you're perrr-feeect - when I see you  
it takes my mind to cloud nine, girl you're so fine, yeah - hey

[Snoop Dogg]

Lovable, and yeah you're pursuable  
Everything is beautiful, even down to your cuticles  
It ain't about me, it's all about you  
You make me do what you want me to  
Yeah, it's just like that  
Here go my number baby girl why don't you get right back  
You're a, perfect dime, I'm workin mine  
Just the thought of me and you I mean it's blowin my mind  
Cain't explain it doe, but if I'm wit'chu  
I can't remain a ho, or stay in the flow  
It's a shame to know, I maintain the flow  
Baby girl me and you is unexplainable  
Mm, yeah - we need to get into actin  
Cain't you see this is a natural attraction  
A lot of maxin and relaxin  
C'mon baby girl, give a player some action, I'm askin

[Chorus]

[Snoop Dogg]

If you would, if I could  
You make the bad boy in me go good  
Tell a lie? No I tell the truth  
Baby boo on the real you know you hundred proof  
Mm, I can't even believe that  
You livin the single life, damn I need that  
I hate to see a queen without a king  
If I had you I'd get you e'rything  
Coast to coast, L.A. to Chicago  
See my baby go wherever I go  
Costa Rica, Obregato  
If I get you I hit the lotto  
Loco shoppin, get what you want to  
Sky's the limit, so go on and spend it  
I said it cause I meant it  
So go and give me your love and get in it to win it  
Hit it

[Chorus]

[Snoop Dogg]

Mm, I know you dig my rappin

I see you smilin so I might get some action  
Yeah, so let's get it crackin  
It won't be no +Rerun+, &quot;Hey hey hey - +What's Happenin'+?&quot;  
It won't be no type of scrappin  
Me and you, this is everlastin  
I hate to sound sarcastic  
But we'll make a classic, it'll be fantastic  
We need to get into actin  
Cain't you see this is a natural attraction  
A lot of maxin and relaxin  
C'mon baby girl give a player some action, I'm askin

[Chorus]

[Snoop Dogg (Charlie Wilson ad libs)]  
Mm, the perfect girl, livin in the perfect world  
Like I said, I hate to see a queen without a king  
I'm available, let's make it happen  
Yeah, the dime or the dub, how you love that?  
Ha ha ha
