

Snoop Doggy Dogg, Let's Get Blown

[Pharrell] Yesssirrr!

[Chorus - Pharrell Williams & Vanessa Marquez]

[V] Can I get my thrills?

[P] You know you want some more girl, so come on

[V] Can I get my thrills?

[P] You know you want some more girl, so come on

Let's get bloooooowwwnnnn.. let's get bloooooowwwnnnn..

[Verse - Snoop Dogg]

Looking at the ladies, all of them fly

I don't know which one I want dawg

I can't make up my mind, girl

So won't you make it easy on me?

Take this drink, then hit this weed

Two step wit me, let's slip to the dance floor

On and on and on and on we go

I'll dip you if you want me to

You see I really wanna get a little front wit you, bigidy bump wit you

A nigga wanna hump you and then just comfort you

And then I'll pop the top and lay you on the cot, and get you nice and hot

Yeah yeah, it's all to the real

We could do it like Guy, c'mon girl "Let's Chill"

[Chorus]

[Verse - Snoop Dogg]

Now you can fly the friendly skies

With the S-N double O-P D-O double G-Y

Now don't ask why, just keep looking good in the hood

Damn girl, you so fly! We could do what you want to

You say you drink Alize or was is it Malibu? It don't really matter though

You remind me of the time when I had a hoe

She kept telling me Doggy Dogg I gotta go

So I let her get in the wind and co-macked her friend

2 plus 2, it equals 4, this is some shit that could last forever more

I'm trying to put my bid in, naw I'm just kidding

Come on ma get in, and don't ask where we going

Pimping and hoeing, drink pouring and weed blowing, you know it c'mon!

[Chorus]

[Verse - Snoop Dogg]

I've been looking at you, from the corner of my eyes

Checking out your hips, lips, tits and your thighs

I've been wanting to do you, for a mighty long time

You make a pimp wanna sing I - I - I

We'll head to the hills, your dreams I'll fulfill

We could do it how you want, cause I'm oh so real

Tell me you, naw I won't squeal

You wit Da Big Bo\$\$ Dogg so seal the deal

Pharrell got the Babyface and Dogg got the Whip Appeal, so name the place

This love I bring to you, on the real baby girl

Won't you do me a favor and sing for Snoop

[Chorus]

[Outro - Pharrell & Snoop]

You know you want it!! (if I got it I'm a give it to you)

So come and get it!! (if I got it I'm a give it to you)

If I got it (if I got it I'm a give it to you)

(Then you can get it) Ya know! Hey!!! Oh!!

(End - Vannessa)

Can I get my thrills? .. Can I get my thrills?
