

# Snoop Lion, Lighters Up (ft. Mavado & Popcaan)

Put lighters up  
Get high with me fly with me aint no dividing us  
East side west side south side north side unified  
Come on and ride with us  
/2x

We a keep a peace dance pan the scene  
East side and the west side come in  
Yad man in a the place you known we ever  
I clean high grade float true we blood stream  
The goons them out the girls them out we love the chemistry  
we making money f\* the guns we nuh want nuh enemy  
Make we do this till a morning until it touch dawning  
Link up when we

Put lighters up  
Get high with me fly with me aint no dividing us  
East side west side south side north side unified  
Come on and ride with us  
/2x

Aint no dividing us we choose the destiny  
And we don't need no negative to get the best of me  
Yea love and unity alone can get to me  
Or if a girl need me...  
So if you known alot a love we spread put your light up  
Fi a better day try and get a bite a love  
Ghetto youths stop the war no make no  
Shot a buss buss a bottle make the f up yea?

Put lighters up  
Get high with me fly with me aint no dividing us  
East side west side south side north side unified  
Come on and ride with us  
/2x

Together make the Cheddar  
Show love to one another  
Every man fi live like bredda  
Unity is the strength fi we make it better  
Help you bredda up the ladder  
Love in every country and Snoop Dogg and Popcaan  
Them done get the vision so we all can live in a one bun devisaon  
Go spread the news pan the television  
Put up lighter and wave you hand so?

Put lighters up  
Get high with me fly with me aint no dividing us  
East side west side south side north side unified  
Come on and ride with us  
/2x

This one is about unity enuh gully gadd Snoop Dogg
