

# Snow Patrol, All

This is not a love song  
I'm just checking that your light's still on  
I just wanna feel like I belong  
But I don't know where I am

I've not quite broken everything I've loved  
That's why I hold you in museum gloves  
And you can ask me anything you like  
Just don't ask me why I'm like this

All I know is holding you is all I ever wanna know  
But maybe I'm not brave enough to tell you so  
But I don't have the strength to watch you go  
Oh they say it's better to have loved at least but reel it in  
It wasn't that I wasn't feeling anything  
More like feeling everything at once

So I guess this is a love song after all  
I think I might have lied before I don't recall  
And they say that pride it comes before the fall  
But so does silence dear

All I know is holding you is all I ever wanna know  
But maybe I'm not brave enough to tell you so  
But I don't have the strength to watch you go  
Oh they say it's better to have loved at least but reel it in

It wasn't that I wasn't feeling anything  
More like feeling everything at once
