

# Snow Patrol, Ask Me How I Am

Has nobody asked you how you are?  
You look like you might not last the day  
I wouldn't have made it very far  
So we'd make a good team right away  
I've not made amends for yesterday  
My lip won't get me out of it  
Waking up dreading hearing tales  
Of all of my nightmares being true

I take a breath and grab the phone  
Secretly hoping you're not home
