

# Snow Patrol feat. Martha Wainwright, Batten Down

Batten down the hatch  
'Cause we're all coming in  
Like uninvited guests  
Romancing everything  
Keep your hands away  
From what you can't afford  
We don't think that we'll stay  
Now that you look bored

God only knows  
What Brian Wilson meant  
Pick out your clothes  
With some real intent  
You don't seem to care  
That I've been waiting here  
Pulling out my hair,  
For you to come  
My dear

I'll go all the way  
As long as you go first  
Running all this way  
Has given me a thirst  
Believe in what you want  
As long as you can see  
What's right in front of you  
I guess that that's just me.
