

# Snow Patrol feat. Martha Wainwright, Fifteen Min

I'm good for inspiration, aren't I  
You will find  
Close the door and I'll go anywhere  
You take me to  
From this bed on to so much more  
Care for you I will

Can I have a picture of you tonight  
Keep it with me always in my mind

Touch me cause I can't move  
I can barely breathe  
Speechless, breathless  
I can't tell you  
If I'm here or not  
Running both legs tied together  
Arms in the air  
Care for you I will

Can I have a picture of you tonight  
Keep it with me always in my mind

Care for you I will  
Care for you ...
