

# Snow Patrol feat. Martha Wainwright, Limited Edition

if only we hadn't gone so far  
things would be different here  
just now  
i didn't know what i had done  
would it be different if you had  
of cum

i can take it if you hold me

i met her last night again  
after hours  
the only words i could muster  
was "erm, hi"  
we talked for an hour or two  
then you left  
i dreamt that night i lay upon  
your breast

i can take it if you hold me
