

Snow Patrol feat. Martha Wainwright, Perfect Little

In the blinding darkness
Of the night it seems simple
All I know is that I love you
Here right now

It's not as if I wanted
To fall so hard for you
Or even understand
These woken feelings

I love you in my own way
I love you better
I love you inside all this
I love you forever

All these words are useless
When I look into your eyes
It's the simple truth of perfect
Little secrets

You're the only thing I'm sure of
And it makes it all so hard
All the other things are broken
Out of focus

I love you in my own way
I love you better
I love you inside all this
I love you forever

In the blinding darkness
Of the night it seems simple
All I know is that I love you
Here right now

It's not as if I wanted
To fall so hard for you
Or even understand
These woken feelings

I love you in my own way
I love you better
I love you inside all this
I love you forever

I love you in my own way
I love you better
I love you inside all this
I love you forever
