

# Snow Patrol, Just Say Yes

I'm running out of ways to make you see  
I want you to stay here beside me  
I won't be ok and I won't pretend I am  
So just tell me today and take my hand  
Please take my hand  
Please take my hand  
Just say yes, just say there's nothing holding you back  
It's not a test, nor a trick of the mind  
Only love

It's so simple and you know it is  
You know it is, yeah  
We can't be to and fro like this  
All our lives  
You're the only way to me  
The path is clear  
What do I have to say to you  
For Gods sake, dear

Just say yes, just say there's nothing holding you back  
It's not a test, nor a trick of the mind  
Only love  
Just say yes, coz Im aching and I know you are too  
For the touch of your warm skin  
As I breathe you in

I can feel your heart beat through my shirt  
This was all I wanted, all I want  
Its all I want  
Its all I want  
Its all I want

Just say yes, just say there's nothing holding you back  
It's not a test, nor a trick of the mind  
Only love  
Just say yes, coz Im aching and I know you are too  
For the touch of your warm skin  
As I breathe you in
