

Snow White And The 7 Dwarfs, Whistle While Yo

Just whistle while you work
(humming.. whistling)
And cheerfully together we can tidy up the place
So hum a merry tune (humming)
It won't take long when there's a song to help you get the pay

And as you sweep the room
Imagine that the broom
Is someone that you love

And you'll find you're dancing to the tune

When hearts are high
The time will fly so
Whistle while you work

So whistle while you work...
