

# Snow White And The Seven Dwarfs, Whistle While You Work

Just whistle while you work  
And cheerfully together we can tidy up the place  
So hum a merry tune  
It won't take long when there's a song to help you set the pace

And as you sweep the room  
Imagine that the broom is someone that you love  
And soon you'll find you're dancing to the tune

(Spoken: Oh, no, no, no, no! Put them in the tub)  
When hearts are high the time will fly so whistle while you work

\*(Another version)\*  
Just whistle while you work  
Put on that grin and start right in to whistle loud and long  
Just hum a merry tune  
Just do your best and take a rest and sing yourself a song

When there's too much to do  
Don't let it bother you, forget your troubles,  
Try to be just like a cheerful chick-a-dee

And whistle while you work  
Come on get smart, tune up and start  
To whistle while you work
