

Snuff, What Ever Happened To The Likley Lads

oh what happened to you whatever happened to me?
what became of the people we used to be (x2)

tomorrow's almost over, today went by so fast
the only thing really (something) is the past

oh what happened to you whatever happened to me?
what became of the people we used to be

tomorrow's almost over, today went by so fast
the only thing really (something) is the past

oh what happened to you whatever happened to me?
what became of the people we used to be (x5)
