

So Solid Crew, Oh No (Oxide Remix)

It just the little things, uh ah
Those sentimental things in life uh uh uh ah, oh
It just the little things, uh ah
Those sentimental things in life uh uh uh ah, oh
It just the little things, uh ah
Those sentimental things in life uh uh uh ah, oh
It just the little things, it's the remix, uh ah
Those sentimental things in life uh uh uh ah, oh
It just the little things, it's the remix, uh ah
Those sentimental things in life uh uh uh ah, oh
It just the little things, it's the remix, uh ah

A So Solid Crew this, I bet ya' never new So Solid could'a do this, and if you wanna boo this
Gonna make you jump up move your feet to this
A So Solid Crew this, I bet ya' never new So Solid could'a do this, and if you wanna boo this
Gonna make you jump up move your feet to this
A So Solid Crew this, I bet ya' never new So Solid could'a do this, and if you wanna boo this
Gonna make you jump up move your feet to this

A So Solid Crew this, I bet ya' never new So Solid could'a do this, and if you wanna boo this
Gonna make you jump up move your feet to this
This style is wicked you know, this style is wicked you know, This style is wicked you know
Wicked you know, wicked you know, wicked you know
This style is wicked you know, this style is wicked you know, wicked you know
Wicked you know, Oh no its time to roll

Dolce n Gabbana 'bana Mochshino, Versace Valen' Valentino, everybody wanna be like Al Pacino
Wanna be gangster or Rob de Niro, godfather sipping cappuccino, sittin' politicking like Rob de Niro
Rise up all the way from zero, this style is wicked you know

Dolce n Gabbana 'bana Mochshino, Versace Valen' Valentino, everybody wanna be like Al Pacino
Wanna be gangster or Rob de Niro, godfather sipping cappuccino, sittin' politicking like Rob de Niro
Rise up all the way from zero, this style is wicked you know

Paper Moneys in the premises we used to be G's too but you never new this and if you wanna tes'
Gonna show you our A double S then kiss this, A So Solid Crew this I bet ya' never new So Solid c
