

# So They Say, You're Welcome

Last chance without a doubt  
I'll try to get out  
I can't stand the sound of letting you down  
I've already done the impossible  
I've already said nothings impossible

So don't you give up on me now  
Didn't I just say how  
I was gonna figure this out and oh yeah  
You're welcome welcome  
For figuring this out  
You're welcome welcome  
For figuring this out

A bad trip two days long  
I woke up with this song in my head and I can't get it out  
So I wrote it down and it kinda sounds  
Like what you're listening to now

So don't you give up on me now  
Didn't I just say how  
I was gonna figure this out and oh yeah  
You're welcome welcome  
For figuring this out  
You're welcome welcome  
For figuring this out
