

Soap, Let love be love

And one day your love came down to me
And it turned around what I believe
Now all that I know on Christmas Day
Let love be love
Just open your heart to who may be
You'll get what you get take there from me
And somewhere I know a miracle longs to be
Between you and me
Let love be love
Dare to let your heart be your guide
My Darling
Let life be life
No matter what you do
You'll do alright in my eyes
You belong in a place where dreams can come true
And I know it's waiting for you
It could be right there by your side
Ohhh on Christmas night
And one day it all seemed clear to me
That you can go as far as your heart can see
Even though the days when nothing seems to go your way
You will hear me say
Let love be love
Dare to let your heart be your guide
My Darling
Let life be life
No matter what you do
You'll do alright in my eyes
You belong in a place where dreams can come true
And I know it's waiting for you
It could be right there waiting for you
It could be right there by your side
Ohhhh on Christmas Night
Ohhhh On Christmas Night
Let love be love
Dare to let your heart be your guide
My Darling
Let life be life
No matter what you do
You'll do alright in my eyes
Let love be love
Dare to let your heart be your guide
My Darling
Let life be life
No matter what you do
You'll do alright in my eyes
You belong in a place where dreams can come true
You should know what's waiting for you
If you look right there by your side
Ohhhhh ohhh on Christmas Night
Christmas Night x3
