Sobule Jill, Little Guy

Little guy, little guy, little guy, such a little guy Such a little guy, in such a big body Little mind, little mind, you were once mine Such a small mind in such a big body Maybe I'm no so fair to little guys He stood tall up when he was by my side Little heart, little heart such a little biddy heart Such an unbrave heart in such a big body Such a big body Maybe I'm not so fair to little guy He loomed large when he loved me Little guy, little guy, little guy such a little guy Such a little guy such a big body
