

# Social Code, Whisper To A Scream (Bird's Fly)

Love come, Down upon us  
Till you flow like water,  
Burning with the hope of insight  
Feathered, look they're covered with a bright elation  
Stolen in the sight of love

(Chorus)

We are, we are, we are all just children  
Finding our way around in decision  
We are, we are, we are rather helpless  
Take us forever  
A whisper to a scream

Birds fly

In the eye of the faithless daughter  
broken at the bitter end  
Wasted, sacrifice for a new nirvana  
Right time send us on our way

(Chorus 3x)

We are, we are, we are all just children  
Finding our way around in decision  
We are, we are, we are rather helpless  
Take us forever  
A whisper to a scream  
A whisper to a scream  
A whisper to a scream

(We are, we are, we are all just children  
Take us forever  
A whisper to a scream)

We are, we are, we are all just children  
Finding our way around in decision  
We are, we are, we are rather helpless  
Take us forever  
A whisper to a scream

We are, we are, we are all just children  
Finding our way around in decision  
We are, we are, we are rather helpless  
Take us forever  
A whisper to a scream
