

Social Distortion, Justice For All

We're sitting here in this hell
You know it's like a living hell
Was what you did really a crime?
The judge says you'll have to serve time

It's the law that you're in jail
It's the law that sets your bail
Don't bother to try and fight
It's only a few more nights

The deputy, had a bad night
He had a little fight with his wife
And so he's gonna be pised at work
And he's gonna bum out your life

It's the law that you're in jail
It's the law that sets your bail
Don't bother to try and fight
It's only a few more nights
