

# Social Distortion, Ring Of Fire

Love is a burning flame  
And it makes the fiery rain  
Bound by one desire  
I fell into a ring of fire

[Chorus:]  
I fell into a burnin' ring of fire  
I fell down down down  
And the flames went higher  
And it burns burns burns  
That ring of fire  
That ring of fire

The taste of love is sweet  
When hearts like ours meet  
I before ya like a child  
Oh, let the fire burn wild

[Chorus]
